## The End of Tuesday Youth Group

There will be no more Youth Group meetings after May 10th, because of construction in the building.

Watch for an announcement about a whole new Youth Ministry program coming to St. Peter's, once the renovations have been completed. Meanwhile, continue to encourage one another, and continue to make music and videos that proclaim your faith to a world that desperately needs your youthful hope.

## The Journeys of St. Paul - April 12th

We followed St. Paul to 14 different cities, following clues and completing challenges that remind us of all the interesting things that happened to him along his journeys.

## What if it were illegal to be a Catholic? - April 5th

Would there be enough evidence against you for a conviction? Fortunately, all of our Youth Group members were found "guilty" because of their regular attendance at Mass, enthusiastic participation in service projects, and active participation in Church activities, including Youth Group.

## The Fetal Development Program - April 19th

## Youth Ministry Leaders

Thank you, Anna, Rodrigo, and Eric!

## The Practice of Fairness

I treat others justly.  
I hear other points of view with openness.  
I expect respect for my perspective.  
I care more about doing right than being right.  
I believe in fair play.  
I have a win/win attitude.

*I am thankful for the gift of Fairness.  
It is our common ground.*

## Generation Mercy

When the day of Pentecost had come, they were all together in one place. And suddenly from heaven there came a sound like the rush of a violent wind, and it filled the entire house where they were sitting. Divided tongues, as of fire, appeared among them, and a tongue rested on each of them. All of them were filled with the Holy Spirit and began to speak in other languages, as the Spirit gave them ability. Now there were devout Jews from every nation under heaven living in Jerusalem. And at this sound the crowd gathered and was bewildered, because each one heard them speaking in the native language of each. Amazed and astonished, they asked, "Are not all these who are speaking Galileans? And how is it that we hear, each of us, in our own native language? [...] — in our own languages we hear them speaking about God's deeds of power." All were amazed and perplexed, saying to one another, "What does this mean?"
